Child Sexual Abuse

Date: 26/04/2024

Images	Name	Material	Price	Description
	Card Castle [Strategies Used by Child Abusers]	Playing Cards	650.00	<p>Topic Covered Strategies Used by Child Abusers</p> <p>Description This tool aims to discuss with the participants regarding the different strategies use by the child abuser to force the child into silence and the reasons which helps child abuse to flourish. Apart from this the facilitator can also discuss with the participants regarding the ways in which the child can be asked regarding the possible abusive encounter faced by him/her.</p>
	Color TV [Child Sexual Abuse]	Sunboard	300.00	<p>Topic Covered Child Sexual Abuse</p> <p>Description This tool consists of a black and white image of a girl standing alone which when changed it converts into a colorful image showing the parents of the child sitting beside her. The aim of the tool is to inform the participants regarding the importance of communication between parents and a child to help know the possible abusive encounter faced by the child and then take an action accordingly to stop the abuse at an early stage. It also sends out a message that the parents should have faith in their children and should believe them when they are trying to convey something unnatural that was experienced by them.</p>
	Identify the Person [Potentially Abusive People]	Flex and Art Card	500.00	<p>Topic Covered Potentially Abusive People</p> <p>Description This tool aims to aware the participants regarding the potential people who can abuse girls and boys in particular and also both in general. Through this tool the facilitator can also get to know about the participants understanding on the topic of child sexual abuse and regarding the potential abusers of children as according to them.</p>
	Map Game [Potentially Abusive Places]	Flex and Coins	500.00	<p>Topic Covered Potentially Abusive Places</p> <p>Description This tool consists of a map along with 20 red and green counters each. The participants are supposed to identify the potential abusive places for children and safe places with red and green counters respectively. Through this tool the facilitator can also get to know about the participants understanding on the topic of child sexual abuse and regarding the potential abusive places for children as according to them.</p>
	Obstacle Game [Barriers in Disclosure]	Flex and Coins	500.00	<p>Topic Covered Barriers in Disclosure</p> <p>Description This tool aims to inform the participants regarding the various barriers that a child comes across because of which s/he is not able to tell about the sexual abuse experienced by him/her. It consists of statement cards which have written over it some common barriers due to which the children are not able to convey what they have experienced.</p>

	Pocket Chart (Red and Green) [Myths and Facts]	Matty and Art Card	500.00	<p>Topic Covered Myths and Facts</p> <p>Description This tool consists of a pocket chart along with some statement cards. The participants are supposed to identify the statements as myths or facts related to child sexual abuse and then segregate those cards in the red and green column of the pocket chart respectively.</p>
	Safe Touch Game [Okay not Okay Touch]	Flex and Art Card	500.00	<p>Topic Covered Okay not Okay Touch</p> <p>Description This tool aims to inform the participants regarding the different ways an abuser can touch a child. Along with it there are some statement cards having the different types of touch mentioned in it. The participants are supposed to segregate those statement cards as safe or unsafe touch for a child.</p>
